

Tudor, Pickering, Holt & Co. International LLP Confirms
Anish Kapadia, CFA, Joining Firm in October

14 July 2010 – London – Tudor, Pickering, Holt & Co. International, LLP, the European arm of Tudor, Pickering, Holt & Co., the US energy investment banking firm, today confirmed that highly rated equity analyst Anish Kapadia, CFA, will join the firm's London office. Formerly an Executive Director with UBS Oil and Gas Research, Kapadia will join the firm as a Director and Senior Research Analyst covering exploration and production companies and selected European integrated energy companies. Kapadia, 30, holds a BSc Biochemistry with Management from Imperial College, University of London.

Tudor, Pickering, Holt & Co. International, LLP will make a more complete press release on Kapadia when he joins in October.

Tudor, Pickering, Holt & Co. International, LLP is a London-based partnership dedicated to the energy sector that will provide equity research and advisory services.
